SUPPLY CHAIN PROJECT EGRATED

ICT is the Integrated Supply Chain Project promoted by Regione Piemonte (Regional Government), co-funded by the European Regional Development Fund 2021-2027 and carried out by **Piemonte Agency**, providing international players a preferential channel to meet and start business with top class ICT enterprises based in Piemonte.

The project develops with the local companies best practices on supply chain performance. Teaming up with international players on screening of capabilities, technological evolution and effective business models, the project Team identifies capable suppliers ready to provide high-quality services at competitive prices.

The Team makes an assessment of buyers' needs from all over the world and provides them with:

- top class skills and unique know-how in the ICT sector
- players
- target clients and strategies.

The project Team's assistance is supply chain focused and completely free of charge for international players. It ascertains their outsourcing needs and arranges b2b meetings according to their technical requirements with the most suitable partners - in Piemonte or on their premises -, visits to local companies to discover the region's ICT sector, participation in international events and trade missions to connect demand and supply.
